DATASETS

- **The Governance and Elections in the Middle East Project (GEMEP):** A comprehensive dataset of legislative activities in three Arab parliaments: Morocco, Jordan and Kuwait.
 - *More than 20, 000 parliamentary questions and bills translated and systematically coded.*
 - *Legislators’ profiles, affiliations in addition to other individual and district-level data.*
- **Drivers of Political Tolerance in Transitioning and Non-democracies:** Survey experiments conducted in Egypt in May 2016 (n=1600) and Tunisia in July 2017 (n=1800). Collected with Mazen Hassan.
- **Women Membership in Legislative Committees in Arab parliaments:** An original dataset of committee appointments collected between October 2016- February 2018 from five Arab legislatures: Algeria, Jordan, Kuwait, Morocco and Tunisia (n=4580).
- **Corruption, Governance and Female Politicians:** Nationally representative surveys of adults collected from Lebanon in April 2015 (n= 1200), Tunisia in July 2017 (n=1800) and Morocco in September 2017 (n=1200).
- **Expert Survey Data on Political Parties’ Competition** collected between April- August 2017 (n=230). Using a comprehensive list of 12-country MENA scholars and country experts, this dataset offers insights on the ideological placement of political parties using context and country specific issue areas.
